

A Girl like You

Music by Christian Willisohn

Lyrics by Alexandra Mayer

I saw you walking down the street
Said to myself: "Oh ain't she sweet?"
What should I do?
I knew for sure I'd talk to you.
Oh Baby, I fell in love with you.

What I saw in her eyes
They were blue like summer skies
I crossed your way
Words they seemed to fade away.
Oh Baby, my mind asked you to stay.

We spent together many days
Girl I loved you in many ways
After a while
You said: "You're sweet but not my stile."
Oh Baby, how could you leave me with a smile?

Had no more dollar, no more dime
Had no idea
How to kill my time
I don't know how to act and where to go
Oh Baby, girl like you won't stop no show.
